16.30 Faith in a World of Science – Dr Rodney Holder

17.00 Close and depart

An informal gathering in a nearby cafe will be held after the meeting for any students, speakers and others who are free to stay on.

Exhibitions:

We will be having two Bible related exhibitions at the conference.

Wycliffe Bible Translators

Phil Prior will give a brief introduction to the work of Wycliffe Bible Translators (<http://wycliffe.org.uk/>) and will have a display throughout the lunch break if people want to find out more.

The Scientist's Bible

The Viral Bible Project is part of BibleFresh (<http://www.biblefresh.com>), which is a movement helping the church to re-engage with God's Word in new and creative ways. Especially for this conference, BibleFresh has given us a Scientist's Bible and asked us to highlight and share our favourite verses. Please go to the table at the back of the hall and share which Bible verses have most influenced you.
