

# Questions about Giving

Francesca Day

Christians in Science Student Conference 2016

*If you want to be perfect, go, sell your possessions and give to the poor, and you will have treasure in heaven. (Matthew 19:21)*

# Where to Give

- A crucial decision
- A decision to make carefully and humbly
- Save the most lives?
- Help the most people?
- Help the people in the greatest need?

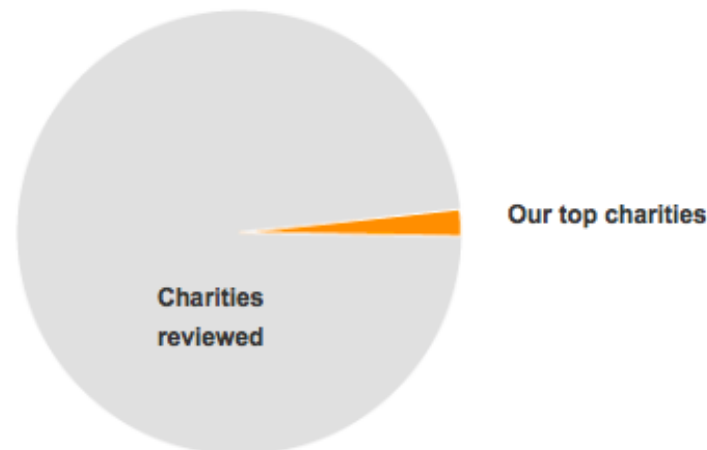

# Example: Blindness

- Paying to train a guide dog: \$40,000
- Curing trachoma-induced blindness: \$20
- For the cost of training one guide dog we could completely cure 2000 people in the developing world of blindness.

## In-depth charity research.

Thousands of hours have gone into finding our top-rated charities. They're evidence-backed, thoroughly vetted, and underfunded.
